Four days, two hundred and ninety five miles, two capital cities, one awesome ride in the tyre tracks of the cycling greats, then watch the finale of the Tour de France!

Your cycle challenge...

Our 295 mile, 4 day bike ride takes us through the beautiful Kent countryside to Dover, before crossing the Channel to Calais. Our route takes us along quiet French country lanes, through traditional market towns with views of the rolling, green fields of northern France, passing the war memorials and cemeteries of the Somme. The pièce de résistance of this cycle challenge will be the final cycle up the Champs Elysées to the Arc de Triomphe, following in the tyre tracks of the cycling greats, before watching them cycle the same route the next day in the finale of the Tour de France!

Your itinerary...Route 1

Day 1 London to Calais

After an early registration we begin our epic ride. It's not too long before we're past the outskirts of London and hitting the countryside of Kent. We push on to Rochester, where we join some of the 2007 Tour De France route – you'll feel like a cycling champion as we tackle the rolling hills, following in the tyre tracks of the giants! It's a long cycling day today but upon reaching the port of Dover and seeing the famous white cliffs, there'll be a great sense of achievement. We then board the ferry to Calais and have dinner whilst on board. Upon reaching Calais, it's just a very short push onto our hotel where we have a well deserved rest and get our heads down for the night.

Cycling distance – approx. 73 miles

Day 2 Calais to Arras

Following breakfast at our hotel we leave Calais behind us, remembering to stay on the right! We begin cycling on smooth, flat roads for approximately 10 miles, before we start to pull up towards our first water stop. The route then becomes more undulating as we cycle through the French countryside up to our lunch stop. Some small climbs after lunch bring us to a gentle descent into the beautiful mediaeval town of Arras, one of the prettiest towns in northern France, where we check into our hotel.

Cycling distance – approx. 79 miles

**Day 3
Arras to Creil**

After breakfast, we continue with our cycle and head south through the region of the Somme and the World War I battlefields - rolling, green meadows studded with the many war memorials and cemeteries of the First World War.

Following a steep climb up Mont César we soon reach our overnight stop in Creil, situated in the Picardy region. One of the most significant historical events to occur in Picardy was the series of battles fought along the Somme during the First World War.

Cycling distance – approx. 88 miles

See the ENTIRE finale of the Tour de France!

We are offering an extension package to enable you to soak up the atmosphere, watch the grand finale of the Tour de France and spend an extra night in the beautiful capital city of Paris!

**Day 4
Creil to Paris**

The final day of our European cycling adventure! Leaving Creil behind us we venture towards the majestic capital of Paris. Cycling is the national sport of France and it's normal to see locals cheering and waving us on. We will stop at the Louvre for the group to re-assemble before reaching the Champs-Elysees, then we ride through as a group finishing our challenge beneath the most famous landmark of Paris – the Eiffel Tower. This evening we celebrate our achievements at our celebratory dinner.

Cycling distance – approx. 55 miles

**Day 5
Watch the finale of the Tour de France!**

After breakfast at our hotel, we are free to enjoy the sights and sounds of Paris. The Tour de France will be reaching its climax today as it races through the streets of Paris, so ensure you grab your place on the Champs-Elysees to see some of the action.

In the early evening each participant will be responsible for getting themselves to Gare du Nord in order to catch the Eurostar back to St Pancras. Bicycles will be transported back to London and upon our arrival back in the UK, we take a short transfer back to the starting point for farewell and goodbyes. Alternatively, participants are free to travel home directly from St Pancras and we can arrange for your bicycle to meet you there.

(Please note, this is a complex itinerary and subject to change, including the daily mileages in this brochure)
